

```
utilities::assign_with  
_order
```

```
graph LR; A[utilities::assign_with_order] --> B[utilities::pack2array::for_each]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'utilities::assign\_with\_order'. The right box is gray with a black border and contains the text 'utilities::pack2array::for\_each'.

```
utilities::pack2array  
::for_each
```
