

int_num_t::divp_gen_step

```
graph LR; A[int_num_t::divp_gen_step] --> B[int_num_t::num_int]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'int_num_t::divp_gen_step'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'int_num_t::num_int'. A curved blue arrow starts from the top of the right box and points back to the top of the same box, representing a self-loop.
