The diagram illustrates a mapping or transformation. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'NumRepr::nat_rat_fixed' followed by '_reg_t::dig_Bm2' on a new line. The bottom box contains the text 'NumRepr::nat_rat_fixed' followed by '_reg_t::dig_submax' on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top of a gray rectangular box on the right. The arrow from the bottom box points to the bottom of the same gray box. The gray box contains the text 'NumRepr::dig_t::dig' followed by '_submax' on a new line.
