

```
int_num_t::filled_of  
_all_digits_are_Bm1
```

A diagram illustrating a state transition. On the left, a gray box contains the text 'int_num_t::filled_of _all_digits_are_Bm1'. A blue arrow points from this box to a white box on the right containing 'int_num_t::num_int'. A curved blue arrow loops back from the white box to itself, indicating a self-loop.

```
int_num_t::num_int
```
